

# Ready-to-Deploy, On-site COVID-19 Screening Services

The Calian Health team can provide your organization with the highest quality, full-service onsite healthcare services.

We know that keeping your workforce and your community safe and healthy is a priority to you and your organization. As you prepare for the return of employees to the physical workspace there is much to consider.

Calian Health is one of Canada's largest national health services companies. We have extensive experience in the delivery of health programs, as well as the operation and management of primary

care and occupational health clinics. With a network of over 2,000 health care professionals, Calian supports over six million patient visits per year at over 180 clinic locations across Canada.
